WORK EXPERIENCE

FULL STACK DEVELOPER

January 2018 - Present

Contributed to external SaaS products with teams of 3-4 developers for frontend and backend features on fin-tech, project management, and other business web apps

Accelerated project development by consolidating shared code into React components reused across repos, saving dozens of developer hours and \$10,000+ in development costs

OPEN SOURCE CONSULTANT

February 2018 - May 2018

Developed searchable and filterable plugin library, powering plugin discovery for 500k+ monthly visitors to Gatsby.js docs

Wrote guides and docs including demo applications for serverless and ecommerce implementations using Gatsby

WEB DEVELOPER

January 2017 - October 2017

Rewrote app frontend in React for web and mobile, decreasing load times by ~50% and bounce rates by 30% across 50+ pages

Developed custom Rails/Slack integration to track employee efficiency that saved ~\$75k in hiring costs during its first year

RAVN DEVELOPMENT

Pleasant Grove, UT

GATSBY INC

Berkeley, CA

BRIXIO

Lehi, UT
